DISCO ROSTER HELP

We are looking for Kiwiskate families and club members who would like to be involved with running our Saturday discos.

Discos play a vital role in keeping our club running as they are our largest source of income. Currently, we are low in helpers and would like to spread the load!

By volunteering one of your Saturday afternoons every 3-4 months, you will be supporting the club in the best way possible, and we will credit \$20 towards your account to say thanks.

If you are interested, please email secretary@skatewellington.org.nz
